DuPont de Nemours International Sàrl, CH-1218 Le Grand Saconnex, Switzerland (hereafter called 'DuPont') warrants hereby, subject to the time limitations described under point 3, the following:

General terms and conditions of the product warranty

1. DuPont warrants to an EC convertor of the Corian® EC panels, supplied in connection with exterior wall cladding projects, that the product will be free from manufacturing defects, the colour will not fade or change by more than 5 ΔE CIE L* a* b* units, gloss loss will not exceed 40% on matte finish and the colour will not leach during the first 10 years after initial installation. In addition, DuPont warrants that the Corian® EC colour offering will remain free from: peeling, swelling and delaminating during the first 20 years from the date the application was completed and when the product has been stored, handled, applied and maintained in accordance with DuPont technical instructions and all applicable building codes.
2. During the period stated above, if any Corian® EC panel shows signs of defects (subject to all the limitations stated herein), DuPont will at its option either provide free replacement of Corian® EC panels or refund the original purchase price of the Corian® EC panels determined by DuPont to have any of the above conditions. In order for DuPont to respond under this warranty, DuPont must be permitted to inspect the product and thereafter to follow its warranty services procedures. All decisions regarding the existence of above conditions or manufacturing defects or in any case affecting this warranty shall be made by DuPont and shall be final and binding upon the parties.

The limited warranty is only applicable if DuPont is notified in writing within sixty (60) days after such defects either appear or should have been discovered after the exercise of reasonable diligence. Failure of the claiming party to notify DuPont within such period shall automatically relieve DuPont of any and all responsibility and/or liability under this Limited Warranty. DuPont makes no express or implied warranty (including, without limitation, the warranties of merchantability, fitness for a particular purpose even if that purpose is known to seller, or from any course of dealing or trade usage) regarding the product. The purchaser assumes all risk and liability for results obtained by the use of products covered by this limited warranty, whether used singly or in combination with other materials. The warranty herein does not cover DuPont™ Joint Adhesive, it covers only Corian® sheets products.
4. DuPont offers a selection of colours recommended for exterior cladding applications: Designer White, Bisque, Elegant Gray, Distinct Tan, Glacier White, Bone, Light Ash, Glacier Ice, Cameo White, Clay, Private Gray, Lime Ice, Vanilla, Ethereal Azure, Silver Gray, Mint Ice and Blueberry Ice.

 6. DuPont's obligation hereunder is limited solely to the refund of the purchase price of the Corian® EC panels or replacement of the Corian® EC panels for which the claim is made excluding any costs associated with fabrication, replacement or installation. In no event shall DuPont be liable for special, indirect, incidental, punitive, consequential or any similar damages (including, without limitation, damages for loss of business profits, business interruption or any other loss), whether or not caused by or resulting from the negligence of DuPont even if DuPont has been advised of the possibility of such damages.
